KONSTANZ

Ein unvergesslicher Tag!

8:00 UHR

Today, the German students gathered in front of the school at 8 a.m. They then waited for the Chèques bus. The driver arrived without the students from the exchange program, because the day's plan was a field trip to Konstanz.

Since the exchange students' hotel is in Freiburg and you have to go through Freiburg to get to Konstanz from Breisach, the driver let them sleep in and decided to pick us up first.

8:30 UHR

Around 8:30 a.m., all the students were on the bus heading to Konstanz.

VOR 9:00 UHR

We arrived in Constance before 9:00 a.m, after a break.

UNSER TAG IN KONSTANZ BEGANN MIT EINER TOUR...

13:30 – 14:00 UHR

At 1:30 p.m., we took a break until 2:00 p.m. to buy something to eat.

UNSER TIPP: KEKI CHICKEN

If you're feeling a little hungry in Constance, we recommend Keki Chicken: it's inexpensive and filling.

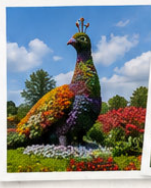

14:00 UHR

At 2:00 p.m., we took the bus to Flower Island, also known as Mainau, for about 30 minutes.

MAINAU – DIE BLUMENINSEL

It's a very interesting place to visit. We were lucky—the weather was beautiful. If you want to treat yourself or your loved ones, go there; you'll find the most beautiful flowers in Germany.

FREIE ZEIT

The students had plenty of free time on the island.

16:45 UHR

At 4:45 p.m., everyone met at the island's entrance,

17:00 UHR

and at 5 p.m., we hit the road again.

19:30 UHR

At 7:30 p.m., the driver dropped the students off at their hotel near the Freiburg train station,

DANACH

then continued on to drop off the Germans.

Die Studenten haben diesen Tag sehr genossen, besonders wegen der freien Zeit!
